Online Job Application Guide

Thank you for your interest in a career with the City of Cleveland!

We're pleased to announce that our hiring process is now streamlined online with NEOGOV.

With NEOGOV, you can find job openings, apply for a job, apply to get on an Eligible list, and complete a job interest card. Instead of manually applying for multiple jobs, you can create a user profile to electronically submit multiple applications all at once.

Provided in this manual are instructions on how to create a NEOGOV account, how to apply to a job posting, and how to create a job interest card.
