Pipeline Infrastructure Improvements Update

Dominion Energy Ohio Gas Pipeline Infrastructure Replacement Project – PIR 3188 – East 146 Street & St. Clair Avenue (City of Cleveland - Ward 10)

CLEVELAND – On Thursday, July 6, 2023, Dominion Energy Ohio’s gas pipeline infrastructure replacement project will begin on the following streets:

- East 146 Street – From Saint Clair Avenue to Ingalton Avenue
- East 147 Street – From Elmhurst Avenue to Ingalton Avenue
- Galewood Drive – From St. Clair Avenue to East 145 Street
- Ingalton Avenue – South side from East 147 Street to end

The improvements include replacing the old steel mainline with a new plastic mainline in the roadway and sidewalk area. A work zone will be established which will allow two-way traffic with traffic control personnel present to help direct traffic flow. Access to adjacent driveways and businesses will be maintained throughout construction. The work on the project will take place Monday through Friday from 7 a.m. to 5 p.m.

This project is scheduled for completion in August 2023. Permanent restorations will be completed in September 2023.

Should there be any questions, please contact Matt Lenke - Hill International at 330-353-7111.

***Editor’s Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
