- The 147th Academy Class is currently on probation and has a total of 32 officers.
 - The 148th and 149th Academy Class is currently in the academy and has a total of 57 recruits.
 - 1,449 current officers (as of 12/27/21) – 32 – 57 = 1,360 officers
- 21 officers who did not attend Session 1 were listed in an extended illness, restricted duty, suspended, or military status.
 - 41 officers who did not attend Session 2 were listed in an extended illness, restricted duty, suspended, or military status.
 - These officers are included in the total amount, but are accounted for in the adjusted total percentage.
