Hickory Court Resurfacing Project Traffic Advisory East 12th Street to West End (Wards 3)

CLEVELAND – Beginning August 31, 2023, weather permitting, the City will begin asphalt resurfacing on Hickory Court from East 12th Street to West End. A portion of the street will be closed and one lane of traffic will be maintained in each direction. A complete closure is not expected to occur. No on-street parking will be permitted for the duration of the project.

The project includes milling the existing asphalt pavement, adjusting utility castings, partial depth pavement repairs, placement of compliant ADA ramps, placing new asphalt, and pavement markings. The work will take place during the hours of 7 a.m. to 5 p.m. The asphalt resurfacing project is expected to complete by the end of September 2023.

Should there be any questions, please contact the City of Cleveland's Construction Inspector, Chris Kotabish at 216-857-1347.

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
