Pipeline Infrastructure Improvements Update

Monday, February 19, 2024

**Dominion Energy Ohio Gas Pipeline Infrastructure Replacement Project –
PIR 2829 – West 53rd and Walworth
(City of Cleveland - Ward 15 & 3)**

CLEVELAND – On Monday, February 19, 2024, Dominion Energy Ohio’s gas pipeline infrastructure replacement project will begin on the following streets:

- Fenwick Avenue – North side from South Frontage Road to West 47 Street
- Walworth Avenue – 5601 Walworth Avenue to Junction Road
- Train Avenue – Train Court to West 46 Street
- West 53 Street – Train Avenue to Clark Avenue
- West 51 Street – West Side Train Avenue to Clark Avenue
- West 47 Street – West Side Train Avenue to Clark Avenue and East side from Ravine Court to Fenwick Avenue.
- West 45 Street – East side from Ravine Court to Fenwick Avenue.

The improvements include replacing the old steel mainline with a new plastic mainline in the roadway and sidewalk area. A work zone will be established which will allow two-way traffic with traffic control personnel present to help direct traffic flow. Access to adjacent driveways and businesses will be maintained throughout construction. The work on the project will take place Monday through Friday from 7 a.m. to 5 p.m.

This project is scheduled for completion in July 2024. Should the weather not allow for permanent restoration to the sidewalk and roadway after construction. A temporary 2” thick concrete sidewalk will be installed for pedestrian traffic and concrete road caps will be placed on all road crossings until temperature rise sufficiently to allow for permanent restoration.

Should there be any questions, please contact Matt Lenke - Hill International at 330-353-7111.

***Editor’s Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
