

HWAP

Home Weatherization Assistance Program

HWAP provides grants of up to \$6,904 per unit through the State of Ohio for homeowners and tenants who meet income guidelines. The weatherization is performed by private contractors trained to State of Ohio Standards. HWAP offers low or fixed-income residents energy efficient measures designed to decrease utility bills and improve energy deficiencies. The program provides education to residents regarding weatherizing homes.

Income Guidelines

Number in Household	Maximum Household Income
1	\$22,980
2	\$31,020
3	\$39,060
4	\$47,100
5	\$55,140
6	\$63,180
7	\$71,220
8	\$79,260

For households with more than 8 persons, add \$8,040 for each additional member.
