FOR IMMEDIATE RELEASE:
April 11, 2018

City Announces Neighborhood Street Improvements

**West 116th Street, West 54th Street, West 71st Street, West 80th Street, West 76th Street,
West 96th Street, and West 104th Street
(City of Cleveland Ward 15)**

CLEVELAND – Improvements to City of Cleveland streets will begin April 16, 2018 in Ward 15. Advance notice signs will be posted to advise the public of road improvements. The following streets will be resurfaced and completed by the end of June 2018:

- **West 116th Street (Clifton Boulevard – Lake Avenue)**
- **West 54th Street (Detroit Avenue – Stone Avenue)**
- **West 71st Street (Wakefield Avenue – Franklin Boulevard)**
- **West 80th Street (Detroit Avenue – Lake Avenue)**
- **West 76th Street (Lawn Avenue – Madison Avenue)**
- **West 96th Street (Landon Avenue – Madison Avenue)**
- **West 104th Street (Clifton Boulevard – Lake Avenue)**

One lane of traffic will be maintained for local traffic for the duration of each project and no detours are expected. Access to all businesses, residences and side streets will be maintained during construction. On-street parking will not be allowed during construction.

For questions, contact the City's Chief Construction Inspector, Ms. Traci Hartnett-Mercado at (216) 857-5447.

2018 Road Resurfacing Projects:

Mayor Frank G. Jackson's enhanced budget, made possible by Issue 32, allows the City to embark on more street improvement projects in 2017 than previous years. Projects span all City neighborhoods and wards.

Highlights about this year's road work include:

- Street resurfacing work for 2018 begins on April 16th. Resurfacing will be performed in Wards 15, and will continue through the summer.
- Potholes are serviced year round, weather permitting. The Department of Public Works has increased its pothole crews from eight to an average of 10 crews daily as a result of the passage of Issue 32.

- With the completion of the Pavement Management Study last year the City has a graded system that allows streets in the greatest need of resurfacing to be selected. The City is using the worst first approach to road resurfacing.
- City projects it will resurface 120 residential streets this year.
- City is also investing in preventive maintenance on recently resurfaced streets to extend roadways' high condition rating using the crack sealing program.

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of our workers is a top priority.*

About the City of Cleveland
