FOR IMMEDIATE RELEASE:
April 23, 2018

City Announces Neighborhood Street Improvements **West 39th Street, West 84th Street, West 46th Street, West 16th Street, West 52nd Street,** **West 26th Street, Woodbridge Avenue, and Trowbridge Avenue** **(City of Cleveland Ward 14)**

CLEVELAND - Improvements to City of Cleveland streets will begin on Wednesday, April 25, 2018, in Ward 14. Advance notice signs will be posted to advise the public of road improvements. The following streets will be resurfaced and completed by the end of July 2018:

- **West 39th Street (Mapledale Avenue to North End)**
- **West 84th Street (Almira Avenue to Denison Avenue)**
- **West 46th Street (Hannon Avenue to Bush Avenue)**
- **West 16th Street (Rowley Avenue to Clark Avenue)**
- **West 52nd Street (Carlos Avenue to Eichorn Avenue)**
- **West 26th Street (Althen Avenue to Blatt Court)**
- **Woodbridge Avenue (West 41st Street to West 44th Street)**
- **Trowbridge Avenue (West 41st Street to West 44th Place)**

One lane will be maintained for local traffic for the duration of each project and no detours are expected. Access to all businesses, residences and side streets will be maintained during construction. On street parking will not be allowed during construction.

2018 Road Resurfacing Projects:

Mayor Frank G. Jackson's enhanced budget, made possible by Issue 32, allows the City to embark on more street improvement projects in 2017 and 2018 than previous years. Projects span all City neighborhoods and wards. Highlights about this year's road work:

- Street resurfacing began April 16 and will continue through the summer. The first resurfacing project was in Ward 7 on East 89th Street near the intersection of Hough Avenue.
- Potholes are serviced year round, weather permitting. The Department of Public Works has increased its pothole crews from eight to an average of 10 crews daily as a result of the passage of Issue 32.

- With the completion of the Pavement Management Study in 2017, the City has a graded system that allows streets in the greatest need of resurfacing to be selected for repair. The City is using the ‘worst first’ approach to road resurfacing.
- The City projects it will resurface 120 proposed streets in 2018.
- The City is also investing in preventive maintenance on recently resurfaced streets to extend roadways’ high condition rating using the crack seal program.

For questions, contact the City’s Administrative Manager, Mrs. Cherita Anglen at (216) 420-7605.

***Editor’s Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of our workers is a top priority.*
