Pipeline Infrastructure Improvements Update

Monday, September 30, 2019

Dominion Energy Ohio Gas Pipeline Infrastructure Replacement Project - PIR 2795
North Bound East 49th Street from Barkwill Avenue to Broadway Avenue Road Closure
(City of Cleveland – Ward 5)

CLEVELAND – On Monday, September 30, 2019 north bound traffic street closure will be in place for 10 days on East 49th Street from Barkwill Avenue to Broadway Avenue.

The road closure is required in order to make road repairs to the concrete pavement above the Dominion gas pipeline in the northbound lane.

A detour plan with signage is:

- North bound traffic on East 49th Street will be routed east onto Barkwill Avenue, then north onto Broadway Avenue.
- Southbound traffic along East 49th Street from Broadway Avenue will continue east to Barkwill Avenue, then south onto East 49th Street.
- Access to side streets along East 49th Street will only be available by traveling south on East 49th Street.

The City anticipates that East 49th Street will reopen to traffic on Wednesday, October 9, 2019, weather permitting.

Questions? Contact Dennis Scheid - Hill International at 216-701-2319.

Editor's Note: Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
