City Announces Neighborhood Street Improvements

**Terminal Avenue, Emery Avenue & West Avenue
(City of Cleveland Ward 16)**

CLEVELAND – Improvements to City of Cleveland streets, in Ward 16, will begin on May 6, 2019. Advance notice signs will be posted to advise the public of road improvements. The following streets will be resurfaced and completed by the end of June 2019:

- **Terminal Avenue (West 143rd Street to West 150th Street)**
- **Emery Avenue (West 143rd Street to West 150th Street)**
- **West Avenue (West 130th Street to West 134th Street)**

One lane of traffic will be maintained for local traffic for the duration of each project and no detours are expected. Access to all businesses, residences and side streets will be maintained during construction. On-street parking will not be allowed during construction.

2019 Road Resurfacing Projects:

Projects span all City neighborhoods and wards.

Highlights about this year's road work:

- Street resurfacing began the week of April 15th and will continue through the summer, weather permitting.
- This year, with the completion of the Pavement Management Study, the City has a graded system that allows streets in the greatest need of resurfacing to be selected. The City is using the worst first approach to road resurfacing.
- The City projects it will resurface approximately 110 proposed streets this year.
- City is also investing preventive maintenance on recently resurfaced streets to extend roadways' high condition rating.

Should there be any questions please contact the City's Administrative Manager, Ms. Cherita Anglen at (216) 420-7605.

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of our workers is a top priority.*
